empowering women since 1881

AAUW IS A NATIONAL AND GLOBAL COMMUNITY THAT EMPOWERS WOMEN.

Step up your leadership skills and self-confidence.

AAUW offers programs that reach thousands of college women each year to build your skills and confidence as the next generation of leaders. Attend the National Conference for College Women Student Leaders or bring programs to your campus such as Elect Her–Campus Women Win workshops, which trains women to run for student government and political office.

Take action on issues that matter to you and your community.

AAUW connects and rallies advocates at the local, state, national, and global levels to advance our work to empower women and girls. Make your voice heard in Congress today with our Two-Minute Activist. Take action in your own community with our guides on writing op-eds, meeting with elected officials, and using social media for advocacy.

Apply for funding to reach your educational and career goals.

AAUW's 150,000 members, donors, and supporters span local and virtual communities, cities, and college campuses all over the world. We encourage, fund, and support educational and professional development. Apply for a Community Action Grant to develop programs or nondegree research projects that promote education and equality for women and girls. Further your graduate and doctoral studies through our prestigious fellowships.
